DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on 3/16/06 has been considered by the examiner.

Allowable Subject Matter

2. Claims 1-23 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The limitations of independent claims 1, 11, 20, and 21 are not found in the Prior Art of Record. The Prior Art does not teach nor suggest in the claimed combination a disk array device comprising: a disk array control unit, a host side data transfer control unit, a disk array including a plurality of data disk drives which constitute one parity group and more one more spare disk drives, a cache memory, and a subordinate side transfer control unit; the disk array control unit comprises a prediction section to predict the likelihood of occurrence of a failure, a disk drive resource information table, a spare disk drive resource information table, wherein said prediction section predicts the likelihood of occurrence of a failure base on information in the disk drive resource table, and in response to a prediction that occurrence of failure is likely to occur, uses the spare disk drive resource information table to select two ore more divided storage areas to copy data in the selected two or more divided storage areas to the one or more spare disk drives.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
